

SiteWatch® Xpress Pay Terminal With Built-In Barcode Reader

A Self-Pay Station and Marketing Tool

Scans barcodes on prepaid/gift cards, coupons and receipts (including mailers and newspapers), so you can run proven traffic-building promotions.

- Automatically invalidates tickets and coupons once they're used to provide you with tight control.
- Makes it easy to sell prepaid/gift cards at one site, such as your full-service tunnel or convenience store, and have them used at your tunnel across town.
