New!
For 2015

Small Enough for Anyone...Tough Enough for any Car Wash

SiteWatch® Tablet Touchscreen Terminal (TTT)

An All-Weather Compact Touchscreen Sales Terminal for Car Washes that takes Portability to a Whole New Level

Tough

- Water resistant with IP65 certified, sealed all-weather fanless design and solid state drive
- Shock resistant (5' drop)
- Raised bezel for LCD impact protection

Compact

- Weighs only 1.4 lbs. (with scanner)
- Measures under 8" x 5.2" – not much larger than some smartphones

USING TECHNOLOGY TO ENHANCE YOUR CUSTOMER'S EXPERIENCE

SiteWatch® Tablet Touchscreen Terminal

User-Friendly

- Bright 7" display screen with LED backlighting
- Anti-reflective screen treatment for easy viewing
- Responsive on-screen keyboard

Efficient

- Enters transactions directly into the SiteWatch POS system
- MSR and barcode scanner
- Standard 8-hour battery life with 16-hour option

Put the Power of Mobile Selling to Work at your Car Wash!

Complete transactions at the customer's vehicle with the new SiteWatch TTT. This will result in faster service and less waiting in line for your customers. It will also make your employee's job easier, improving morale and reducing turnover.

The SiteWatch TTT features Windows Embedded 8.1 Industry Professional with a Celeron N2807 processor, 4GB RAM, and 64GB eMMC storage.

What's Next?
