

Mobile Connect™

Sell Plans and Prepays Anytime From Anywhere

Software Add-on 

Mobile Connect is the salesperson who never sleeps. Your customers can now purchase wash plans, gift washes, club plans and more anytime, anywhere with a few swipes of their finger with this mobile app. Included with Website Connect™, Mobile Connect helps you increase sales, encourage brand loyalty and build brand awareness all while providing your customers convenience they will love.

- Provides 365/24/7 access to your car wash point-of-sale system
- All sales entered directly into your SiteWatch® POS system
- Customized with your wash's colors, logo, app icon, etc.
- Automatic enhancements and updates
- Establish brand presence in the app stores. DRB Systems assists with Apple and Google setup.

Customers Control Their Experience

- Buy, change, cancel monthly plans
- Purchase club plans
- Send gift washes via email or text
- Add funds to virtual wallets
- Change information (credit cards, address, etc.)
- Get car wash hours, locations and turn-by-turn directions
